

Pacific Rim College

Academic Policies and Procedures

Introduction

Welcome to Pacific Rim College, a leader in holistic medicine and sustainable living. The information that follows is intended to help you through your orientation process and to ensure that you are adequately familiar with the college's philosophies and policies and procedures. Should you have any questions, please do not hesitate to contact a college administrator.

Overview of College

Pacific Rim College (PRC) is a government accredited academic institution located on Vancouver Island in beautiful Victoria, British Columbia. PRC was founded in 2006 to be a globally-recognized leader in complementary and integrative health education.

Pacific Rim College has always been locally owned and operated. The college was founded by Todd Howard, and today it is owned by Todd, James Christian and Brea Segger.

Mission

The mission of Pacific Rim College is to provide world-class education, modern research opportunities and premier clinical services in sustainable land stewardship and a variety of medical modalities.

I. ADMISSION POLICIES

Admissions Standards

Pacific Rim College is determined to produce only the highest quality health practitioners. As a result, we reserve the right to admit and to retain only students who demonstrate the potential to achieve at the upper-most level. Applicants will be evaluated based on merits such as high academic achievement, emotional maturity, humanitarian activities, morality, community involvement and health-related experience.

Application Submission

An applicant's application package or any component of will remain valid for 1 year only from date of submission.

Acceptance

Following successful completion of the application process, a formal letter of acceptance will be sent to each student. An applicant may be required to partake in an interview process prior to receiving an admissions decision.

Deposit

All successful candidates for admission into the following programs must pay a non-refundable deposit to confirm acceptance and to ensure a space in the entering program. The deposit is credited towards the student's first semester tuition, and the deposit is due within the timeframe indicated on the program webpage and the candidate's acceptance letter. The College holds the authority to, without notice, offer another student the enrolment position of an accepted applicant or withdraw the applicant's offer of acceptance if the enrolment deposit has not been paid within the required time frame.

Diploma Programs

All successful diploma program* applicants must submit a non-refundable enrolment deposit of \$200, which is credited toward tuition fees. Should a student not matriculate for the specific semester of study as stated in the acceptance letter, the fee is forfeited and cannot be used to offset any charges that the student may incur. To confirm the offer of acceptance, all accepted applicants must submit this deposit within 14 days of the date of acceptance if accepted more than 60 days prior to the semester start date, or within 7 days of the date of acceptance if accepted 60 days or fewer prior to the semester start date. Official date of acceptance is the date indicated on the applicant's acceptance letter. Enrolment space will not be reserved without this deposit.

*Except for the Permaculture Design and Resilient Ecosystems Diploma.

Natural Health Certificate

All successful applicants must submit a non-refundable enrolment deposit of \$200, which is credited toward tuition fees. Should a student decide not to matriculate for the specific semester of study as stated in the acceptance letter, the fee is forfeited and cannot be used to offset any charges that the student may incur. To confirm the offer of acceptance, all accepted applicants must submit this deposit within 14 days of the date of acceptance if accepted more than 60 days prior to the semester start date, or within 7 days of the date of acceptance if accepted 60 days or fewer prior to the semester start date. Official date of acceptance is the date indicated on the applicant's acceptance letter. Enrolment space will not be reserved without this deposit.

Registration Fee

All successful admission candidates and registrants for the following programs must pay a non-refundable registration fee to reserve a space in the entering class. The College holds the authority to, without notice, offer another student the enrolment position of an accepted applicant or registrant if the registration fee has not been paid within the required time frame.

Holistic Doula Certificate and School of Permaculture Design programs

Canadian Citizens:

All successful program applicants must submit a non-refundable registration fee of \$250. This fee is due within 2 weeks of being accepted, or prior to the start of the program if accepted within 2 weeks of the program start date. Enrolment space in the program will not be reserved until the registration fee has been paid.

International Students:

All successful program applicants must submit a non-refundable registration fee of \$500. This fee is due within 2 weeks of being accepted, or prior to the start of the program if accepted within 2 weeks of the program start date. Enrolment space in the program will not be reserved until the registration fee has been paid.

Community Herbalist Certificate

Canadian Citizens:

All program registrants must submit a non-refundable* registration fee of \$250 at the time of registration. Enrolment space in the program will not be reserved until the registration fee has been paid.

International Students:

All program registrants must submit a non-refundable* registration fee of \$500 at the time of registration. Enrolment space in the program will not be reserved until the registration fee has been paid.

*Any student determined by the college to be ineligible for program enrolment will receive a refund of the registration fee.

Holistic Nutrition Certificate

Canadian Citizens:

All program registrants must submit a non-refundable* registration fee of \$250 at the time of registration. Enrolment space in the program will not be reserved until the registration fee has been paid.

International Students:

All program registrants must submit a non-refundable* registration fee of \$500 at the time of registration. Enrolment space in the program will not be reserved until the registration fee has been paid.

*Any student determined by the college to be ineligible for program enrolment will receive a refund of the registration fee.

Matriculation

New diploma* students and Natural Health Certificate students in their first semester of study need to maintain a minimum enrolment of 6 program credits to officially matriculate into the accepted program. Any student who fails to meet this minimum enrolment must request an Enrolment Deferral in writing and forfeits the enrolment deposit.

*Except for the Permaculture Design and Resilient Ecosystems Diploma program, in which full program enrolment is required.

Enrolment Deferral

A successful admissions candidate or program registrant may choose to request deferral of enrolment as per below.

Diploma Programs and Natural Health Certificate

Successful admissions candidates may request to defer enrolment for a maximum of one semester. Deferrers will forfeit the original enrolment deposit (or registration fee in the case of the Permaculture Design and Resilient Ecosystems Diploma) and must pay an additional enrolment deposit (or registration fee) to reserve enrolment space in the next semester.

Holistic Doula Certificate and School of Permaculture Design Certificate programs

Successful admissions candidates may request to defer enrolment for a maximum of one program offering. Deferrers will forfeit the original registration fee paid and must pay an additional registration fee to reserve enrolment space in the next program offering.

Community Herbalist Certificate and Holistic Nutrition Certificate

Program registrants may request to defer enrolment for a maximum of one program offering. Deferrers will forfeit the original registration fee paid and must pay an additional registration fee to reserve enrolment space in the next program offering.

Transfer Credits

Students who have completed credits at another recognized college or university may apply for credit transfer for the following programs only: all diploma programs*, the Natural Health Certificate and the Holistic Doula Certificate.

Prior Learning Assessment

For transfer credit consideration within an academic program other than within the School of Acupuncture and Chinese Medicine (see Transferring into the School of Acupuncture and Chinese Medicine below) and the School of Permaculture Design (see Transferring into the School of Permaculture Design below), a student must submit a completed *Prior Learning Assessment* application to their Program Dean for each course he or she wishes to be evaluated. For any transfer credit to be considered, the student must provide a thorough course description and relevant transcripts. Course descriptions can usually be found on institutions' websites. Upon request, the student

may be required to produce additional course information such as a course syllabus, outline, etc. Students are not eligible to apply for *Prior Learning Assessments* (PLA's) within the final 25 credits of any program, and PLA applications will not be considered during this time.

Transferring into the School of Acupuncture and Chinese Medicine

A student transferring into the School of Acupuncture and Chinese Medicine from another recognized North American program of Acupuncture and Oriental Medicine will automatically have his or her previous coursework from this institution evaluated for transfer upon confirmation of acceptance into the program. To have coursework from non-AOM schools considered, the student must adhere to the standard Transfer Credit policies.

*School of Permaculture Design

Transfer credits are not accepted into any program within the School of Permaculture Design.

General Criteria and Fees

For any previous coursework to be considered for transfer, the College must have on file all applicable official transcripts indicating successful completion of relevant coursework with a passing grade of 70% or better.

At the Dean's discretion, a student may also be required to submit additional course information such as a course syllabus. If the Dean determines that transfer credit will not be given for a certain course, the student may be permitted to prove competency via an Examination Challenge (see below) or may be eligible for course exemption.

There is a transfer fee of \$20 (see Financial Policies) for each credit that is evaluated and accepted as transferable; for students transferring into the School of Acupuncture and Chinese Medicine (AOM) from another recognized college-based AOM program, the transfer credit fee for eight (8) or more credits is \$150 total for all credits transferred (7 or fewer credits will be charged \$20/credit) from each AOM college only (transfer credits from all other institutions will still be a subject to \$20/credit fee).

Transfer credits awarded prior to enrolment will be indicated in a transfer credit section on transcripts; transfer credits issued for course taken after enrolment will be indicated with a grade of T on transcripts during the semester of credit approval. Transfer credits will not factor into a student's grade point average.

Students must complete a minimum of one (1) year of coursework in a diploma program at Pacific Rim College to be eligible for graduation from that program. Transfer applicants for more than one diploma program (Dual Diplomas option) must complete a minimum of one (1) year of coursework in each diploma program with two-thirds of the required coursework in each diploma being exclusive to that diploma and not shared with the other diploma program of enrolment.

For transfer credit consideration for any coursework, the applicant must have successfully completed the course within the past eight (8) calendar years, or the applicant must demonstrate regular professional use of the course material no more than five (5) years prior to application submission.

Students applying for *Prior Learning Assessment* must provide the PRC course code and name; *Prior Learning Assessment* applications will not be accepted without this information.

Transfer credits cannot be applied to the final 25 required credits of any program.

Examination Challenge

Students who have previous coursework in a particular course of study, but are not eligible for transfer credit, may be permitted to prove competency via an Examination Challenge upon submission of a completed *Prior Learning*

Assessment application. Challenged Examination (CE) credit will be awarded to a student who successfully challenges the competency examinations for a course without actually taking the course by earning 80% or better on all competency examinations. Students are not eligible to apply Challenged Examination (CE) credit to the final 25 credits of any program, and Examination Challenge applications will not be considered during this time. Students have a maximum of 60 days to complete an Examination Challenge attempt once the Dean/Director has granted approval. Failure to complete an Examination Challenge within the allotted timeframe will result in forfeiture of the Examination Challenge opportunity and reapplication is not permitted. Any course may only be challenged once. The maximum amount of CE credit that a student can earn is 12 credits. All Examination Challenges are subject to a fee (see Financial Policies).

Course Exemption

Students who have unsatisfactory previous coursework from a recognized institution or significant professional experience in a particular course of study and demonstrate excellence in that area might be eligible for course Exemption. To receive a course Exemption, a student must submit a *Prior Learning Assessment* application and documented coursework or previous professional experience in the area. Students are not eligible to apply for Course Exemption during the final 25 credits of any program. The decision to provide course Exemption is at the discretion of the Dean. A mark of E is assigned in the student’s transcript to indicate that he or she has received exemption for a particular course. No credit is given for Exempt courses, and a student is required to make up the corresponding credits with elective courses in that particular area of study. Course Exemption is not available for students of the Permaculture Design and Resilient Ecosystems Diploma.

Readmission

Students must reapply for admission if they interrupt registration from a particular program for one (1) or more calendar years and were not academically dismissed at the conclusion of the last semester of attendance.

II. ACADEMIC POLICIES AND PROCEDURES

Academic Calendar

Below is the academic calendar for the following full-time programs: Diploma of Acupuncture, Diploma of Acupuncture and Chinese Medicine, Doctor of Traditional Chinese Medicine, Diploma of Phytotherapy, Diploma of Holistic Nutrition and the Natural Health Certificate. All other programs operate on separate academic calendars, which can be found on the College website.

	Summer 2023	Fall 2023	Winter 2024	Summer 2024
ORIENTATION	May 7	Sept 4	Jan 4	May 5
FIRST DAY OF CLASS	May 8	Sept 5	Jan 5	May 6
READING BREAK	June 26-30	Oct 9-13	Feb 19-23	Jun 24-28
HOLIDAYS	May 22 (Victoria Day) July 1 (Canada Day) Aug 7 (BC Day)	Sep 30 (Truth and Reconciliation Day) Oct 9 (Thanksgiving) Nov 11 (Remembrance)	Feb 19 - BC Family Day Mar 29 - Good Friday	May 20 - Victoria Day July 1 - Canada Day Aug 5 - BC Day
LAST DAY OF CLASS	Aug 21	Dec 18	Apr 21	August 19

Communication to Students and Privacy

All Pacific Rim College students are required to maintain and provide to the College a valid email address for receiving College communication. It is the responsibility of each student to read and respond when necessary to college email communication. Student email addresses will be provided to course instructors for course communication. Email addresses will not be provided to third parties.

Attendance Policies

The College expects all students to take full responsibility for their academic work and progress. To progress satisfactorily, a student must meet all requirements for each course in which the student is registered. Regular attendance offers the most effective means for a student to gain a command of relevant course materials and successfully complete all course assignments and examinations.

Didactic Courses

The extent of conditions of an attendance policy for any given didactic course is stated in the course syllabus. The minimum attendance criteria for any course is as follows, although the policy may be stricter for certain courses. Students must attend at least 78.3% of class time to pass any course. Absences, tardiness, and early departures will be recorded and will factor into total attendance. It is not the instructor's responsibility to inform students when they are nearing or have reached the attendance threshold. Any student who goes beyond the attendance threshold will be failed from the course.

Clinical Courses

To receive academic credit and hours for any clinical course and receive a mark of 'Pass', an enrolled student must complete the minimum number of required clinical hours. A student who earns credit for a clinic will only receive clinical hours for the actual hours of attendance.

Any student who completes less than 85.55% (38.5 hours of a 45-hour clinic) of clinical hours will fail the course and receive a course mark of 'Fail'. The student will receive no clinic credits or hours for 'Fail' clinics.

For all clinics for which a student has received a mark of 'Pass', the student is entitled to make up any clinic hours for which the student did not receive credit. These hours can be made up in any level of clinic (see exception below) provided that the student receives prior permission from the attending clinic instructor and that the clinic is in the student's program (e.g. Nutrition clinics cannot be attended to make up hours for Phytotherapy clinics). The exception to this is CMCP101 makeup hours: CMCP101 students can only make up hours in CMCP101 or CMCP102 clinics. All Clinic Makeup Hours must be completed, documented using the *Clinic Makeup Form*, and submitted no later than the last day of semester of the immediate subsequent semester. Clinic hours cannot be made up in advance of absences or applied to any semester attendance other than the current semester or the immediate previous semester.

A fee of \$7/hour is charged for all approved Clinic Makeup Hours. The student must pay this fee in full within 60 days of invoicing for the hours to be added to the student's academic record. Clinic Makeup Hours not paid within 60 days of invoicing will not be accepted.

Students who arrive late for clinic training courses will receive the following attendance deductions:

- 1-10 minutes late – 30-minute deduction
- 10-30 minutes late – 1-hour deduction
- 30-90 minutes late – 1.5-hour deduction
- 90+ minutes late – full clinic absence

Graduation requirements are not based on the number of clinic hours completed but rather on the number of clinical credits.

For applicable programs students can complete independent level* clinical training in the College's Student Clinic or by participating in the College's Global Outreach Program (GOP) or Clinical Externship Program (CEP). Students must complete at least one half of all required independent-level clinical training in the College's Student Clinic. The following indicates the minimum number of independent-level clinic hours students must complete onsite in the College's Student Clinic.

- Diploma of Acupuncture – 150 hours of CMCP200/300
- Diploma of Acupuncture and Chinese Medicine - 150 hours of CMCP200/300, 90 hours of CMCP400
- Doctor of Traditional Chinese Medicine - 150 hours of CMCP200/300, 90 hours of CMCP400, 180 hours of CMCP500
- Diploma of Phytotherapy – 165 hours of PCP300
- Diploma of Holistic Nutrition – 90 hours of NCP300

*Independent-level clinics are CMCP200/300/400/500, PCP300, and NCP300.

Workshop Elective Courses

To earn credit in a workshop elective, a student must attend 100% of the course. Absences, tardiness, and early departures will be recorded and will factor into total attendance. Any student who goes beyond the attendance threshold will receive an Incomplete mark for the course.

Academic Accommodations

Pacific Rim College supports students in achieving their educational goals by coordinating appropriate academic accommodations. Accommodations may include additional time and/or privacy for assignments and testing and/or a one-time grant, awarded as a tuition credit, to redirect personal funds toward the investment in a learning aid. Video recordings are not currently offered as an academic accommodation.

Students can request academic accommodations by submitting the *Request for Academic Accommodation*. The request must be accompanied by supporting documentation, such as a doctor's letter and/or learning evaluation report from a professional designated to provide such assessments. The report should include specific recommendations for what support would be beneficial.

When possible, the *Request for Academic Accommodation* should be submitted at least five weeks before the start of the semester for which the accommodation is requested.

The *Request for Academic Accommodation* is open to all enrolled program students. Prospective students who have completed a full application for admission, including payment of the application fee, are also permitted to submit a request. If approved and once enrolled, the student's instructors will be notified each semester that the student is eligible for academic accommodations.

Students who are additionally approved to receive the accommodations grant will receive a one-time \$300 tuition credit. This grant will be applied to the current or subsequent semester's tuition invoice.

Religious Accommodation

Students with a demonstrated religious practice are permitted to honour major religious holidays within their faith. Although these absences will be recorded, they will not factor into the minimum attendance thresholds indicated above for didactic and clinical courses. For consideration, the student must submit to the Registrar an *Application for Attendance Religious Accommodation* two (2) or more weeks prior to the proposed absence.

Class/Clinic Cancellations

Academic classes:

When an academic class is cancelled by the college, the student will receive attendance recognition for the class provided that the student complies with either of the following:

1. When the instructor requires a makeup assignment to compensate for missed class time, the student is responsible for completing the assignment as per the instructor's guidelines.
2. When the instructor schedules a makeup class, the student is to take reasonable measures to attend the makeup class but will not be penalized if attendance is not possible. The student is still responsible for completing all work and assignments that might be issued during the makeup class.

Clinical classes:

When a clinic is cancelled by the college, the student will receive attendance recognition for the clinic. The student is permitted to attend an alternate clinic as per our Clinic Makeup policies to compensate for the missed clinic time. Since the student already is receiving credit for the missed hours, these hours will not be credited to the student's transcript and thus there will be no charge for the hours.

Grading Policies

The College uses two grading systems to determine student competency. The grading system used for any course is clearly stated in the course syllabus.

Performance Grading			
Numerical	Points	Numerical	Points
95-100%	4.0	73-76.9%	2.0
90-94.9%	3.7	70-72.9%	1.7
87-89.9%	3.3	67-69.9%	1.3
83-86.9%	3.0	63-66.9%	1.0
80-82.9%	2.7	60-62.9%	0.7
77-79.9%	2.3	< 60%	0.0

Competency Grading			
Mark	Indication	Mark	Indication
P	Pass	IP	In Progress
I	Incomplete	NS	No Show
F	Fail	T	Transfer
W	Withdrawal	AU	Audit
AW	Administrative Withdrawal	CE	Challenged Exam
		E	Exempt

Pass (P): A grade of P indicates that a student has achieved and demonstrated competency in all course objectives as defined in the syllabus. Students must achieve a Pass grade to achieve completion credit for any course.

Incomplete (I): A grade of I indicates that a student has demonstrated only partial competency in all course objectives as defined in the syllabus and that further study is required to earn a Pass grade.

Fail (F): A grade of F indicates failure to meet the minimum level of competency as defined in the course syllabus. A student who receives a grade of Fail must retake the course to attain completion credit.

Withdrawal (W): A grade of W is given if a student voluntarily withdraws from any course after the date the course begins. An official withdrawal form must be submitted to the college no later than the midpoint of a semester course.

Administrative Withdrawal (AW): A grade of AW may be given to a student who, because of sickness, an emergency or other unforeseeable circumstances, cannot complete the requirements of a course. A grade of AW will only be given with the approval of the Dean.

In Progress (IP): A grade of IP is given for some didactic courses, clinical courses, internships, externships, and theses in which work may extend beyond the normal length of the academic semester. An In Progress grade must be converted to a final grade by the end of the subsequent semester. Students may not receive an additional exception beyond this deadline.

No Show (NS): A grade of NS is assigned to indicate that a student did not attend class.

Transfer Credit (T): A grade of T is assigned to any completed course credit that has been transferred from another accredited institution. See Transfer Credits under General Admission for complete eligibility information and credit transfer procedures.

Audit (AU): A grade of AU is assigned to indicate that a student has chosen to take a course for personal enrichment. There is no credit or academic grade given for audited course.

Examination Challenge (CE): A grade of CE is awarded to a student who successfully challenges the competency examination(s)/assignment(s) for a course without taking the course

Exempt (E): A grade of E is assigned to indicate that a student has demonstrated excellence for a particular area of study but does not have the appropriate level of coursework from any approved institution to allow for the transfer of credit. No credit is given for Exempt courses, and a student is required to make up the corresponding credits with elective courses in that area.

Course Registration

All multi-semester programs* use a university-style course registration system in which students are responsible for registering for their desired courses via an online student registration system. Program students are permitted to register for any course provided that enrolment space is available, and that the student has met and maintains all course prerequisites. Course registration policies and procedures are emailed to students prior to the opening of the course registration process.

*Except the Permaculture Design and Resilient Ecosystems Diploma

Course Prerequisites

Course prerequisites exist to ensure that no student enrolls in a course for which that student has not completed necessary preparatory coursework. For a student to earn credit for a course for which prerequisites have not been met, the student needs to first receive Prerequisite Waiver Approval (PWA) via the submission of a *Prerequisite Waiver Request Form*. Failure to obtain PWA may result in any or all the following:

- Administrative removal from the course and course withdrawal financial penalties as per the course withdrawal policies.
- If the course has been completed, reversal of credit earned for the course and a transcript mark of Incomplete.
- Disciplinary action if a Prerequisite Waiver Request was denied and the student proceeded to register for the course regardless.

The student registration portal states course prerequisites but does not prevent students from registering for courses for which prerequisites have not been met. It is solely the student's responsibility to ensure that all course prerequisites have been met.

Credit Standards

To receive credit for a course, a student must achieve the minimum final mark as stated in the course syllabus and

have met all course prerequisites. A semester cumulative GPA of 2.0 (70%) or better must be achieved for a student to remain in good academic standing.

PRCOnline Credit

Students enrolled in the following programs are permitting to earn select elective credit through PRCOnline.

General Criteria

To be eligible for credit at PRC, courses must be taken from the [PRC Electives](#) page of PRCOnline. Select courses in the PRCO [Community Herbalist Certificate Program](#) and the PRCO [Holistic Nutrition Certificate Program](#) will also transfer. Any course, including all assessment material, must be completed in its entirety. Elective credits will be awarded only in the area that any course has been approved for (e.g. WHS, NU, etc.). Only the permitted number of credits as indicated per program below will be considered for PRC credit. To receive credit for a course, a student must submit an *Application for Credit Inclusion* within sixty (60) days of course or program completion (if the student is currently enrolled in a program at PRC) or no later than the final semester day of the student's first semester of program enrolment (if PRCO credits are completed prior to PRC acceptance).

Diploma of Phytotherapy

Students can earn a maximum of one-third ($\frac{1}{3}$) of required electives in each course area (e.g. 3 of 9 WHS required credits) from PRCOnline.

Diploma of Holistic Nutrition

Students can earn a maximum of two-thirds ($\frac{2}{3}$) of required electives in each course area (e.g. 2 of 3 NU required credits) from PRCOnline.

School of Acupuncture and Chinese Medicine

Theory based learning within this program is approved for online study and specific course offerings vary from semester to semester. Limited PRCOnline coursework is also approved for this program. Please consult the [Online Education in the School of Acupuncture & Chinese Medicine Policy \(580\)](#) for detailed information.

Natural Health Certificate

Students can earn a maximum of 3 elective credits from PRCOnline.

Course Registration

Students in all programs must register directly for any above course from the PRC-approved area of PRCOnline and pay the associated fees.

Attendance Appeal

This process is to provide students with a fair and timely means to appeal attendance only if they suspect an instructor has inaccurately recorded attendance. Any student who wishes to appeal a failing grade due to attendance must adhere to the *Grade Appeal* policy below.

All students have the right to know the attendance criteria in a course, and this information is included in the course syllabus. If any student believes that a course instructor has inaccurately recorded attendance, the student must first present the case in writing to the instructor as soon as possible after the student suspects inaccurate recording of attendance and no later than two (2) weeks following the last day of semester class. The instructor may address the appeal as he or she deems appropriate.

If the student finds the instructor's decision unsatisfactory, the student may then present his or her case in writing to the Program Director/Dean within one (1) week of the instructor's decision. The Director/Dean has the authority to overrule or accept the instructor's grading. If the student chooses to appeal the decision of the Director/Dean, the student must present his or her case in writing to the Academic Board within one (1) week of the decision. The Board's decision stands as the final word in the appeal process.

Grade Appeal

This process is to provide students with a fair and timely means to appeal a grade. Students wishing to appeal a failing grade due to performance or any reasons not related to attendance must adhere to the *Non-Attendance-Related Grade Appeal* below. Students wishing to appeal a failing grade due to attendance must adhere to the *Attendance-Related Grade Appeal* below.

Non-Attendance-Related Grade Appeal

All students have the right to know the criteria for performance evaluation in a course, and this information is included in the course syllabus. If any student believes that a course instructor has awarded an unfair grade, the student must first present the case in writing to the instructor no later than two (2) weeks following the last day of semester class. The instructor may address the appeal as he or she deems appropriate. If the student finds the instructor's decision unsatisfactory, the student may then present his or her case in writing to the Program Director/Dean within one (1) week of the instructor's decision. The Director/Dean has the authority to overrule or accept the instructor's grading. If the student chooses to appeal the decision of the Director/Dean, the student must present his or her case in writing to the Academic Board within one (1) week of the decision. The Board's decision stands as the final word in the appeal process.

Attendance-Related Grade Appeal

All students have the right to know the attendance criteria in a course, and this information is included in the course syllabus. Factors that will be taken into consideration by appeal reviewer(s) include, but are not limited to, the student's performance in the course, course attendance record and overall attendance history, disciplinary history, and instructor feedback. If any student wishes to appeal a failing grade due to attendance, the student must first present the case in writing to the Program Director/Dean after the issuance of a course grade and no later than two (2) weeks following the last day of semester class. If the student chooses to appeal the decision of the Director/Dean, the student must present his or her case in writing to the Academic Board within one (1) week of the decision. The Board's decision stands as the final word in the appeal process.

Examination Rewrites

An instructor may offer an examination rewrite to a student at his or her discretion, either voluntarily or as the result of a grade appeal. Before the examination is given, the instructor must clearly define the weight of the exam, if different from that stated in the course syllabus, in the course's final grading process. An examination rewrite fee may apply (see Academic Fees below) and must be paid prior to writing the exam. Additionally, for each exam a student rewrites, he or she must sign an *Examination Reschedule/Rewrite Confidentiality Agreement*.

Rescheduling Examinations

The rescheduling of examinations is a privilege, not a right. To request a reschedule for any examination, students must adhere to the policies below.

Exam Reschedules in Advance

Any student who wishes to reschedule an exam must submit a Request for Examination Reschedule at least two (2) weeks prior to the scheduled exam. Should the student be permitted to reschedule the exam, the student will be provided with minimal rescheduling options. When possible, the student will be required to write the exam prior to the published exam date.

Exam Reschedules due to Unforeseen Circumstances

Any student who fails to submit a rescheduling request two (2) weeks in advance of the exam (e.g. due to unforeseen and extenuating circumstances) must submit a Request for Examination Reschedule citing all reasons for failure to meet the rescheduling deadline and requesting special consideration. This request must be submitted within forty-eight (48) hours after the original exam start time. If the circumstances that caused the student to miss the exam do not permit contact within forty-eight (48) hours, the student must clearly explain this in the written request and submit the request as soon as reasonably possible.

Failure to Attend a Rescheduled Exam

Any student who fails to attend a rescheduled exam and does not provide appropriate written notice and reason, as deemed by the Program Director/Dean, will forfeit the exam rescheduling opportunity, and receive an exam mark of 0%.

Examination Reschedule Fee

A rescheduling fee applies to all rescheduled exams (see Academic Fees below) and must be paid prior to writing the exam.

Examination Policy

In all coursework, including assignments and exams, students are bound by College's *Policy on Academic Dishonesty and Professional Misconduct*.

For all course examinations other than quizzes, students are required to leave all personal belongings in an area designated by the instructor/invigilator. The only items students will be permitted to have in their possession during an examination is a writing instrument and any other item(s) the instructor/invigilator specifically permits. Unless expressly authorized by the instructor/invigilator, prohibited items include, but are not limited to, cell phones, electronic tablets and pads, computers, audio devices, headphones, books, and notes. Prior to distributing the examination, the instructor/invigilator will inform students when they are permitted to reclaim their personal belongings.

Students are not permitted to have temporary markings (e.g. words, symbols or shorthand; body landmark and acupoint markers; or other markings that may lead to examination answers) on skin or clothing during an examination.

Once the instructor/invigilator has begun handing out examinations to students, no talking or other forms of communication are permitted, other than questions directed to the instructor/invigilator.

Throughout the examination period, students are not permitted to look upon another student's examination.

Once a student receives an examination, that student is not permitted to leave the exam room for any reason, including to visit the washroom, without the permission of the instructor/invigilator.

Any behaviour that leads the instructor/invigilator to suspect that a student is cheating is strictly forbidden and may result in disciplinary action.

Academic Dishonesty and Professional Misconduct

Pacific Rim College does not tolerate any form of academic dishonesty – including, but not limited to, plagiarism, cheating and lying – or any form of professional misconduct – including, but not limited to, theft, abusive language, harassment, lying, racial discrimination, bullying and violence.

Plagiarism

Plagiarism is defined at the college as “the unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one’s own original work, as by not crediting the author.” A zero-tolerance policy to plagiarism applies to all works submitted in any college course.

Cheating

Cheating is the act of seeking information from an unauthorized source during any form of class examination or performance assessment. This includes any suspicious acts that may be construed as cheating. During examination situations or other performance assessments, students are not to engage in any activity that is suspicious. This includes, but is not limited to, talking, looking at another student or a student’s work, having unauthorized access to information pertaining to the exam material or communicating through any electronic medium.

Theft

Theft carries the same penalty no matter how small the item or insignificant the value. Property of the college, its faculty and staff, the student body, and customers is to be respected at all times. Criminal charges may be sought.

Lying

Lying to any college official for any reason at any time is considered academic dishonesty and/or professional misconduct.

Harassment and Sexual Harassment

Harassment is the act of systematic and/or continued unwanted and annoying actions of one party or a group, including threats, demands, bullying and verbal abuse, as well as unwelcome sexual advances, requests for sexual favours, and other verbal or physical conduct of a sexual nature. This includes any distribution or sharing of photographs or videos without explicit consent from all people in the photographs or videos, whether the intention is exploitative in nature.

Discrimination

Pacific Rim College is committed to building a community that is inclusive to individuals of diverse backgrounds and does not tolerate discrimination based on race, ethnicity, nationality, faith, sexual orientation, gender, or social background.

Abusive Language

Abusive language of any form to any member of the college, its faculty and staff, the student body, and customers will not be tolerated.

Violence

Violence is injurious behaviour directed toward any member of the college, its faculty and staff, the student body, and customers, and the property of the college, its faculty and staff, the student body, and customers. Criminal charges may apply.

Any student suspected of any of the above acts, or any other form of academic dishonesty or professional misconduct will be subject to extreme scrutiny by the respective course instructor and by the Dean and College Directors, and if found guilty, will be subject to immediate expulsion from Pacific Rim College without consideration of any tuition refund. A student may receive notice of disciplinary action in person or in writing.

Each entering student must initial this section of the policy to abide by the College’s Policy on Academic Dishonesty and Professional Misconduct.

Conflict of Interest

The College has implemented Conflict of Interest and Campus Code of Conduct policies for all students and instructors. The Conflict-of-Interest Policy prohibits students and instructors from engaging in extracurricular, non-professional relationships. This includes but is not limited to the following:

- intimate relations of any manner and
- platonic relations that involve non-school-related activities outside of school.

Should a student or instructor, for whatever reason, fail to avoid extracurricular, non-professional relationships, it is both the student and instructor's responsibility to immediately inform the Academic Dean. Failure to report this misconduct will result in disciplinary consequences up to and including expulsion for the student and termination of employment for the instructor.

Students with pre-existing personal relationships with instructors at the time of matriculation are required to immediately inform the Academic Dean.

Campus Code of Conduct

The Campus Code of Conduct and its reporting form serve as a structure to notify Directors of incidents of Academic Dishonesty and Professional Misconduct as described above. It is utilized in additional instances of misconduct, including harassment, discrimination, and sexual misconduct or sexual harassment. This form can be submitted anonymously.

Disciplinary Appeal

If a student feels that an instructor has taken unfair disciplinary action, the student must first appeal the decision to the Program Director/Dean with a written submission no later than two (2) weeks after being made aware of the instructor's disciplinary action. In the review of the case, the Program Director/Dean may request a meeting with the respective instructor, student or both simultaneously. The Program Director/Dean has the authority to overrule or accept the instructor's decision. If a student is unhappy with the disciplinary action of the Director/Dean, the student must submit a written request for a hearing with the Academic Board and verbally present his or her case to the Board. The Board's decision stands as the final word in the appeal process.

Dismissal of Delinquent Students

Pacific Rim College reserves the right at any time to request the withdrawal of a student who does not or cannot maintain the required standard of scholarship; whose continuation as an enrolled student would be detrimental to his or her health, or the health of others; whose behaviour in the classroom or on campus goes against promoting a positive learning environment; or whose conduct is not satisfactory to the authorities of the College. A student may receive notice of dismissal in writing or in person.

Course Withdrawals

Any student wishing to voluntarily withdraw from a course of study must submit to the Registrar a complete *Withdrawal & Addition Form* no later than the midpoint of that specific course; no withdrawal requests will be accepted past the midpoint of any course. Where applicable, a tuition refund will be calculated as per the College's Tuition Refund Policy. A grade of W is given if a student voluntarily withdraws from any course after the date the course begins.

A grade of AW (Administrative Withdrawal) may be given to a student who, because of sickness, an emergency or other unforeseeable circumstances, cannot complete the requirements of a course, but is unable to withdraw from the course within the accepted period. A grade of AW will only be given with the approval of the Dean.

Program Withdrawals

Any student wishing to voluntarily withdraw from a program of study must submit to the Registrar in writing notice of intent to withdrawal. Where applicable, a tuition refund will be calculated as per the College's Tuition Refund Policy.

Computation of Grade Point Average (GPA)

GPA is calculated using a 4.0 scale. GPA is computed by dividing the total number of quality points accumulated in courses for which the performance grading scale has been used by the total number of credits attempted in those courses. Courses that use the competency grading scale (i.e. P, F, W, AW, CE, T, AU, E) are not included in computing GPA. Each percentage grade has a numerical grade point value as per above (see Grading Policies). Multiplying this numerical value by the number of credits for a particular course gives the quality points for that course.

Policy on Academic Probation and Dismissal

Consistent with Pacific Rim College's vision to be a world-leading academic institution in the field of complementary and integrative medicine, the College upholds high academic standards for all students. It is the intent of the College that students make satisfactory progress toward successful program completion. Unless a student has special permission from the Dean, the following guidelines for student retention are as follows:

- a. Academic retention is based primarily on grade point average for all multi-semester programs in which grade point average is calculated, although the Academic Board reserves the right to consider other factors.
- b. Satisfactory performance is defined as the achievement of a semester combined GPA of 2.0 or higher for all coursework.

Unsatisfactory performance is defined as the achievement of a semester combined GPA of less than 2.0 for all coursework. A student will be placed on Academic Probation following any semester in which a 2.0 combined GPA is not achieved. During any probationary semester, a student must achieve a semester combined GPA of 2.0 or better for no fewer than 9 credits of performance-based coursework. Any student who fails to achieve this performance standard is subject to Academic Dismissal.

Students can see their semester grade point average in their student portal of Student Recordkeeper. Students will not be contacted to be informed of GPA and academic status unless they are subject to Academic Dismissal.

Academic Probation

A student will be placed on Academic Probation if his or her semester combined GPA falls below 2.0 for any given semester. A student who earns less than 2.0 combined GPA for 2 or more non-consecutive semesters will be placed on permanent Academic Probation.

Academic Dismissal

During any probationary semester, a student must achieve a semester combined GPA of 2.0 or better for no fewer than 9 credits of performance-based coursework. Any student who fails to achieve this performance standard is subject to Academic Dismissal.

Application for Readmission

A student who has been Academically Dismissed from Pacific Rim College may reapply for admission after the passing of twelve (12) calendar months since the Academic Dismissal was given. The student must demonstrate scholarly reform and submit an academic plan to be considered for readmission. Successful candidates will re-enter the College with a fresh GPA. Any successfully completed courses at the College prior to dismissal will be

accepted as Passing (P) credit and will not be factored into the student's new GPA. Readmitted students will be on Academic Probation for their first 4 semesters of study and must adhere to probationary standards. Any student who maintains a cumulative GPA of 2.0 or higher will be taken off Academic Probation at the completion of the 4th academic semester.

Graduation

Graduation requirements vary from program to program as indicated below.

Diploma Programs and Natural Health Certificate

Students who successfully complete all required coursework and credits for the above programs are eligible for graduation. A student who wishes to be assessed for graduation eligibility must submit to the Program Director an *Application for Graduation* during his or her final two semesters of study or upon completion of all required coursework.

Community Herbalist Certificate and Holistic Nutrition Certificate

Students who successfully complete 90% of all required coursework and credits for these certificate programs are eligible for graduation and will be awarded a certificate upon program completion. Students who fail to successfully complete 90% of all required coursework and credits but have successfully completed at least 80% are eligible to retake components of the program to reach the 90% threshold and thus pass the program, if they do so within one (1) calendar year from the completion of their program. Students who choose to retake components must arrange with the Program Director and will be subject to tuition fees for the components. Students who do not successfully complete at least 80% of all required coursework and credits in their first program attempt are not eligible to retake components or graduate.

School of Permaculture Design Certificate programs

Students who successfully complete 90% of all required coursework and credits for these certificate programs are eligible for graduation and will be awarded a certificate upon program completion. Students who fail to successfully complete 90% of all required coursework and credits but have successfully completed at least 80% are eligible to retake components of the program to reach the 90% threshold and thus pass the program, if they do so within three (3) calendar years from the completion of their program. Students who choose to retake components must arrange with the Program Director and will be subject to tuition fees for the components. Students who do not successfully complete at least 80% of all required coursework and credits in their first program attempt are not eligible to retake components or graduate.

Holistic Doula Certificate

Students who successfully complete 90% of all required coursework and credits for this certificate programs, and comply with the following two conditions – 1) do not miss more than 50% of any one component and 2) successfully complete all book assignments and oral presentations in DLA112 – are eligible for graduation and will be awarded a certificate upon completion of the required Doula Practicum. Students who fail to successfully complete 90% of all required coursework and credits but have successfully completed at least 80% are eligible to retake components of the program to reach the 90% threshold and thus pass the program, provided they do so within one calendar year. Students who have failed to complete 50% of any individual component and have completed at least 80% of the program are eligible to retake the component and thus pass the program, provided they successfully complete the component in its entirety within one calendar year from the completion of their program. Students who choose to retake components must arrange with the Program Director and will be subject to tuition fees for the components. Students who do not successfully complete at least 80% of all required coursework and credits in their first program attempt are not eligible to retake components or graduate.

Upon successful completion of the academic portion of the Holistic Doula Certificate, students must complete *DLA120 Doula Practicum (Preceptorship)* that requires each student to attend two births (under the supervision of

a qualified Doula). Students have 12 months to complete this assignment starting from the day of completion of all classroom studies of the Holistic Doula Certificate. All required projects and papers in relation to this are also due within this 12-month period. Students who are unable to complete the Doula Practicum within the prescribed amount of time might be eligible for one or two 6-month extensions. During the Doula Practicum, students may partake in the Doula Mentorship.

Graduation with Honours

Diploma program* students in performance-based programs who have achieved academic distinction throughout their enrolment at Pacific Rim College will graduate with Academic Honours. Students who have achieved a minimum cumulative GPA of 3.4 will graduate Cum Laude. Students who have achieved a minimum cumulative GPA of 3.6 will graduate Magna Cum Laude. Students who have achieved a minimum cumulative GPA of 3.8 will graduate Summa Cum Laude.

*Except the Permaculture Design and Resilient Ecosystems Diploma

Professional Recognition

All students are responsible for knowing and understanding the professional practitioner regulations and practitioner eligibility criteria that preside in the region where they wish to practice. Other than where expressly indicated in writing, PRC is not responsible for ensuring that students understand professional regulating standards or meet practitioner eligibility criteria.

Credit Transfer into Other Institutions and Credential Recognition

Other than where expressly indicated in writing, Pacific Rim College does not guarantee the transferability of PRC credits into other institutions, or the recognition of Pacific Rim College coursework or graduate credentials by other institutions or organizations.

Storage and Retrieval of Student Records

The College maintains both physical and electronic records for students.

Physical Records

All physical student records, including application information, transcripts and financial transactions are safely stored at the College. Only appropriate administrative personnel – including, but not limited to, the College President, Director of Admissions, Registrar, Academic Dean, and relevant Program Deans/Directors - have access to student records. To access records, students must contact the Registrar.

Electronic Records

Electronic student records are stored in an online recordkeeping system. Students can access at any time certain components of their personal academic records by logging into the Student Recordkeeper System (SRK) via the online student portal.

III. GRIEVANCE AND DISPUTE RESOLUTION POLICY

This policy applies to all grievances that arise between students, students and faculty, and students and other staff members at Pacific Rim College.

In the case of a grievance, the primary goal of the Academic Board is to reach a just resolution to restore balance within the College environment. The Board will make every effort to remain unbiased throughout the resolution process. A student who makes or is otherwise involved in a complaint will not be subject to any form of retaliation by the institution at any time.

Grievance Procedure

1. All grievances must be presented in writing and sent to a member of the Academic Board. The grievance is kept in strict confidence by the Academic Board, maintaining accurate records for any correspondence related to the grievance.

The persons involved in presenting the grievance must be identified by full name. Should the grievance be presented on behalf of a class, if one does not already exist, the class must appoint a student representative who will speak on behalf of the class.

2. The Academic Board consists of the:

College President and Academic Dean, James Christian jchristian@pacifricrimcollege.com , Amy Klazek, Director of Admissions aklazek@pacifricrimcollege.com and a Program Dean of the student or faculty's area of study:

- Sumi Kang, Dean - School of Acupuncture and Chinese Medicine skang@pacifricrimcollege.com
- Bree Nabholz, Dean – School of Western Herbal Sciences phytodean@pacifricrimcollege.com
- Cordelia McFadyen, Dean – School of Holistic Nutrition cmcfadyen@pacifricrimcollege.com

Should a member of the Academic Board be absent or cited in the grievance, in all dealings related to the grievance, he or she will be temporarily replaced on the Academic Board by Michelle Quintal, Executive Director admin@pacifricrimcollege.com until the grievance has been resolved.

3. The Academic Board will convene for a meeting as soon as reasonably possible following the submission of the grievance. The Board will determine if sufficient information regarding the grievance has been provided. If not met, the Board will request in writing further information so that resolution can proceed.
4. The Board will then conduct further investigation of the circumstances concerning the grievance and attempt to bring about resolution between involved parties. All aspects of this process will be documented.
5. The final decision of the Academic Board will be presented to all parties involved in the grievance within 30 days after the complaint has been received. It will include adequate reasoning for its decision.
6. The Board's decision stands as the final word in the appeal process. If a student is dissatisfied with the determination and has been misled regarding a significant aspect of the program the student may file a complaint with the Private Training Institutions Branch (www.privatetraininginstitutions.gov.bc.ca).

IV. STUDENT SERVICES

Academic Advising

Each faculty and program provides academic advising for potential students contemplating studies and current students wishing to make course or program changes. Students are encouraged to read the appropriate academic and enrolment information for any program of interest to determine prerequisites and other program requirements. Program Deans are also available for individual consultation as needed.

Student Activity Fund

Each semester every student enrolled in regular studies at Pacific Rim College contributes \$25 to the Student Activity Fund (SAF). The primary purpose of the SAF is to provide the student body with financing to support activities, projects and causes. Additionally, these funds are used to maintain the student computer terminals, printers and learning resources.

Computing Services

The College provides campus wide wireless Internet access for all students, computer stations, a photocopier and printer in the student lounge area.

Library

Students, alumni and faculty have full access to the College's library, consisting of hundreds of volumes of books related to complementary and integrative medicine.

Bookstore

The College Bookstore aims to carry all required and recommended course texts as well as dozens of other titles related to complementary and integrative medicine.

Student Identification Cards

Student Identification Cards are available to all program students. To receive a card, a student must be enrolled in a program of study. Replacement Identification Cards are available for lost, stolen or damaged cards for a fee.

Career Preparation

Pacific Rim College assists students in job preparation and placement, both pre- and post-graduation. During academic studies students can enrol in business development courses that prepare students for entering the workforce and opening businesses. Other professional development courses are offered on a regular basis. Additionally, the College provides services and opportunities for job searching and an online database of employment opportunities.

Financial Aid, Scholarships and Bursaries

Student Loans

Canadian students are eligible to apply for Canada Government Student Aid for all programs.

Your Best Interest Scholarship Fund

Your Best Interest (YBI) is a pay-it-forward initiative in which the interest fees that students incur and pay as a result of delayed tuition payment are converted into a scholarship fund that is available to all diploma students. To increase the fund, PRC matches all contributions dollar for dollar. This scholarship fund is then awarded to students in the form of the Pacific Rim College Bursary over the course of the following year via our standard Application for Financial Aid process.

Pacific Rim College Bursary

The Pacific Rim College Bursary is a \$500 financial award offered to students meeting the following criteria.

- Be enrolled in a multi-semester program;
- submit a complete 'Application for Financial Aid' by the deadline stated below;
- complete the budget in Section Five of this application;
- maintain enrolment in a minimum of 12 credits for each semester for which you are applying for funding;
- be in good academic and financial standing with Pacific Rim College; and
- not have received PRC Financial Aid within the past calendar year.

To be considered for financial aid for any semester, students must complete an application for and it must be submitted no later than November 1 for the Winter semester, March 1 for the Summer semester, and July 1 for the Fall semester.

Community Leader Scholarship

The Pacific Rim College Community Leader Scholarship is a competitive tuition-based award. Awardees receive full tuition to either the College's Community Herbalist Certificate, Holistic Nutrition Certificate or Holistic Doula Certificate. Please see the Application for Community Leader Scholarship form for annual due dates. Due to the nature of PRC's Certificate program, scholarships are awarded once registration minimums are met.

Scholarship recipients are unable to defer enrollment to a future semester and must commit to the certificate program schedule for the period of enrollment. The recipient must maintain performance and attendance requirements to receive accreditation. All related program supplies are at the cost of the awardee.

V. FINANCIAL POLICIES

Tuition and fees for Pacific Rim College are listed below. All amounts shown are in Canadian dollars. The College requires that all deposits, tuition, and fees be paid by stated deadlines, or penalties must be imposed. Returning students will not be permitted to complete registration until all previous financial obligations to the College are paid in full.

Tuition

Except for the Permaculture Design and Resilient Ecosystems Diploma, and where otherwise indicated, multi-semester program tuition is based on a per credit system. Audited credits do not factor into the per semester course count. For all multi-semester programs, each student determines his or her course load and schedule and thus per semester tuition. All prices listed are in Canadian dollars.

<u>Academic Credits</u>	<u>\$245/credit</u>
<u>Clinical Observation Credits</u>	<u>\$245/credit</u>
<u>Clinic Supervised/ Independent Credits</u>	<u>\$275/credit</u>
<u>Auditing</u>	<u>\$150*/credit</u>
<u>Discount Auditing**</u>	<u>\$80*/credit</u>

*plus tax

**Discount Audit tuition is available to current program students and diploma alumni. Current program students must maintain the equivalent registration of 9 semester credits to be eligible and pay the regular rate should registration drop below that threshold. Discounted audit rate is not available for courses for which there is a waitlist, weekend workshops, CPR and First Aid, and potentially other course. Diploma alumni no longer enrolled in a program are required to pay all applicable tuition at the time of course registration. Audit registration is not available until after the student registration portal has closed and must be completed directly through the Registrar.

Tuition for the Permaculture Design and Resilient Ecosystems Diploma and all certificate programs (except Natural Health Certificate, which uses above tuition) is listed on each program webpage.

Academic Fees

Pacific Rim College reserves the right to change fees at any time. Although prior notice is not necessary, whenever possible the College will publish all fee changes prior to the date the new fees take effect.

APPLICATION	Varies with program
ENROLMENT DEPOSIT (ED) or REGISTRATION FEE (RF)

Certificate	\$50
Diploma	
STUDENT RECORD ARCHIVING FEE	\$6.50/semester

Explanation of Fees and Deadlines

Tuition Deadline

Semester-based tuition fees deadlines are arranged on a program-to-program basis. Unless otherwise arranged by a student with the College Administration, students must pay tuition in full by the stated deadline to avoid the accrual of interest fees. Tuition deadlines are posted on the College website and, for new students, are indicated in the official acceptance letter. Students with outstanding tuition will not be permitted to receive official transcripts or certificates/diplomas, or to register for or participate in new courses. A Request for Exception may be requested for severe medical or unforeseen circumstances. This exemption is not granted for failure to understand any PRC registration or tuition related policy.

Collection of Accounts in Arrears

The College reserves the right to release relevant student information to a third party or 'Collections Agency' to recoup outstanding tuition and fees.

Application Fee

This non-refundable fee is charged to all applicants and due at the time of application submission.

Enrolment Deposit

Where indicated, all successful candidates for admission must pay a non-refundable deposit to confirm acceptance and to insure a space in the entering class.

Registration Fee

Where indicated, all successful candidates for admission must pay a non-refundable registration fee to confirm acceptance and to insure a space in the entering class.

Transfer Credit

A student who applies for credit transfer from another accredited institution will be charged a transfer credit fee of \$20/course credit that is evaluated and accepted. Transfer students into the School of Acupuncture and Chinese Medicine from another recognized North American program of Acupuncture and Chinese Medicine will be charged \$150 total for all transfer credits above eight (8). Transfer credit fees are due at the time of transfer credit approval.

Examination Rewrite/Reschedule

Any student who reschedules an examination or based on eligibility, chooses to rewrite an examination, is subject to this fee. This fee is due before a student may write the exam in question.

Official Transcript

Official transcripts are available to students upon request by submitting a completed *Application for Official Transcript*. All student accounts must be paid in full prior to a student receiving an official transcript or program credential, i.e. diploma or certificate.

Examination Challenge

A student who chooses to challenge a course by Examination Challenge must first pay a non-refundable fee before challenging the examination materials. To receive credit for a successful examination challenge, the student must pay an additional course credit fee. CE credit fees are due within thirty (30) days of the examination challenge or before the end of the semester, whichever happens first.

Clinical Supplies

Students in certain Acupuncture and Chinese Medicine clinics are charged a clinical supply fee to cover clinic material costs (e.g. linens, moxa, oils) and hazardous waste disposal. This fee is added to student tuition and due at time of tuition payment.

Course Supplies

Course supply fees are applied to courses in which the school provides students with a sizeable amount of non-reusable supplies. This fee is added to student tuition and due at time of tuition payment.

Student Activity Fee

Each program student and certain non-matriculating students must pay a student activity fee of \$25/semester for each semester of course enrolment.

Clinic Makeup Hours

This hourly fee is charged for all approved Clinic Makeup Hours.

Finance Charge/Tuition Late Payment

This finance charge will be charged monthly to all accounts past due.

Identification Card Replacement

This fee is charged for the replacement of all lost identification cards. The fee is due prior to the issuance of a new ID card.

Graduation Document Replacement

This fee is charged for the replacement of academic certificates/diplomas respectively.

Student Record Archiving Fee

This fee is applied to each student for both on-site and off-site student record storage.

Financial Refund Policies

General Program Refund Policy

The following refund policy applies to non-matriculating students and students in the following programs: Permaculture Design and Resilient Ecosystems Diploma, Community Herbalist Certificate, and Holistic Doula Certificate.

1. If the institution receives tuition from the student, or a person on behalf of the student, the institution will refund the student, or the person who paid on behalf of the student, the tuition that was paid in relation to the program in which the student is enrolled if:
 - (a) the institution receives a notice of withdrawal from the student no later than seven days after the effective contract date and before the contract start date;
 - (b) the student, or the student's parent or legal guardian, signs the student enrolment contract seven days or less before the contract start date and the institution receives a notice of withdrawal from the student between the date the student, or the student's parent or legal guardian, signed the student enrolment contract and the contract start date; or
 - (c) the student does not attend a work experience component and the institution does not provide all of the hours of instruction of the work experience component within 30 days of the contract end date.

2. The institution will refund the tuition for the program and all related fees paid by the student or a person on behalf of the student enrolled in the program if the student is enrolled in the program without having met the admission requirements and did not misrepresent his or her knowledge or skills when applying for admission.
3. If a student does not attend any of the first 30% of the hours of instruction to be provided during the contract term, the institution may retain up to 50% of the tuition paid under the student enrolment contract unless the program is provided solely through distance education.
4. Unless the program is provided solely through distance education, if the institution receives a notice of withdrawal from a student:
 - (a) more than seven (7) days after the effective contract date and
 - i. at least thirty (30) days before the contract start date, the institution may retain up to 10% of the tuition due under the student enrolment contract, to a maximum of \$1,000.
 - ii. less than thirty (30) days before the contract start date, the institution may retain up to 20% of the tuition due under the student enrolment contract, to a maximum of \$1,300.
 - (b) after the contract start date
 - i. but on or before 10% of the hours of instruction to be provided during the contract term have been provided, the institution may retain up to 30% of the tuition due under the student enrolment contract.
 - ii. and after 10% but before 30% of the hours of instruction to be provided during the contract term have been provided, the institution may retain up to 50% of the tuition due under the student enrolment contract.
5. Unless the program is provided solely through distance education, if the institution provides a notice of dismissal to a student and the date the institution delivers the notice to the student is:
 - (a) on or before 10% of the hours of instruction to be provided during the contract term have been provided, the institution may retain up to 30% of the tuition due under the student enrolment contract.
 - (b) after 10% but before 30% of the hours of instruction to be provided during the contract term have been provided, the institution may retain up to 50% of the tuition due under the student enrolment contract.
6. If the institution provides the program solely through distance education and the institution receives a student's notice of withdrawal or the institution delivers a notice of dismissal to the student and:
 - (a) the student has completed and received an evaluation of his or her performance for at least 30% of the hours of instruction to be provided during the contract term, the institution may retain up to 30% of the tuition due under the student enrolment contract, or
 - (b) the student has completed and received an evaluation of his or her performance for more than 30% but less than 50% of the program, the institution may retain up to 50% of the tuition due under the student enrolment contract.
7. The institution will refund fees charged for course materials paid for but not received if the student provides a notice of withdrawal to the institution or the institution provides a notice of dismissal to the student.
8. Refunds required under this policy will be paid to the student, or a person who paid the tuition or fees on behalf of the student, within thirty (30) days:
 - (a) of the date the institution receives a student's notice of withdrawal,
 - (b) of the date the institution provides a notice of dismissal to the student,
 - (c) of the date that the registrar provides notice to the institution that the institution is not complying with section 1(c) or 2 of this policy, or
 - (d) after the first 30% of the hours of instruction if section 3 of this policy applies.

9. If an international student delivers a copy of a refusal of a study permit to the institution, sections 1(a), 1(b), 4, 7, and 8 of this policy apply as if the copy of the refusal were a notice of withdrawal, unless:
- (a) the international student requests an additional letter of acceptance for the same program that was the subject of the refusal of a study permit, or
 - (b) the program is provided solely through distance education.

Distance Program Refund Policy

The following refund policy applies to the Holistic Nutrition Certificate.

1. If the institution receives tuition from the student, or a person on behalf of the student, the institution will refund the student, or the person who paid on behalf of the student, the tuition that was paid in relation to the program in which the student is enrolled if:
- (a) the institution receives a notice of withdrawal from the student, or the institution delivers notice of dismissal to the student and:
 - i. the student has completed up to 30% of the hours of instruction to be provided during the contract term, and the institution provides to the student a performance evaluation prior to the 30% mark, the institution may retain up to 30% of the tuition due under the student enrolment contract, or
 - ii. the student has completed more than 30% but less than 50% of the program, and the institution provides to the student a performance evaluation prior to the 50% mark, the institution may retain up to 50% of the tuition due under the student enrolment contract, or
 - iii. the student has completed more than 50% of the program, the institution is not required to provide any refund.

Course Refund Policy

The following refund policy applies to courses in the following programs: Diploma of Acupuncture, Diploma of Acupuncture and Chinese Medicine, Doctor of Traditional Chinese Medicine, Diploma of Phytotherapy, Diploma of Holistic Nutrition and Natural Health Certificate.

1. If the institution receives tuition from the student, or a person on behalf of the student, the institution will refund the student, or the person who paid on behalf of the student, the tuition that was paid in relation to the program in which the student is enrolled if:
- (a) the institution receives a notice of withdrawal from the student no later than seven days after the effective contract date and before the contract start date;
 - (b) the student, or the student's parent or legal guardian, signs the student enrolment contract seven days or less before the contract start date and the institution receives a notice of withdrawal from the student between the date the student, or the student's parent or legal guardian, signed the student enrolment contract and the contract start date; or
 - (c) the student does not attend a work experience component and the institution does not provide all the hours of instruction of the work experience component within 30 days of the contract end date.
2. The institution will refund the tuition for the program and all related fees paid by the student or a person on behalf of the student enrolled in the program if the student is enrolled in the program without having met the admission requirements and did not misrepresent his or her knowledge or skills when applying for admission.
3. If a student does not attend any of the first 30% of the hours of instruction to be provided during the contract term, the institution may retain up to 50% of the tuition paid under the student enrolment contract unless the program is provided solely through distance education.
4. Unless the program is provided solely through distance education, if the institution receives a notice of withdrawal from a student:

- (a) more than seven (7) days after the effective contract date and
 - i. no later than 4pm fifteen (15) or more days prior to the first published day of the semester, the student will receive a full tuition refund for the withdrawn class(es).
 - ii. after 4pm fifteen (15) days prior to the first published day of the semester and no later than 4pm of the first published day of the semester, the institution may retain 10% of the tuition due under the contract to a maximum of \$1300.
 - (b) after the contract start date
 - i. but on or before 10% of the contracted period has elapsed, the institution may retain up to 30% of the tuition due under the student enrolment contract.
 - ii. and after 10% but before 30% of the contracted period has elapsed, the institution may retain up to 50% of the tuition due under the student enrolment contract.
5. Unless the program is provided solely through distance education, if the institution provides a notice of dismissal to a student and the date the institution delivers the notice to the student is:
- (a) on or before 10% of the contracted period has elapsed, the institution may retain up to 30% of the tuition due under the student enrolment contract.
 - (b) after 10% but before 30% of the contracted period has elapsed, the institution may retain up to 50% of the tuition due under the student enrolment contract.
6. If the institution provides the program solely through distance education and the institution receives a student's notice of withdrawal or the institution delivers a notice of dismissal to the student and:
- (a) the student has completed and received an evaluation of his or her performance for at least 30% of the hours of instruction to be provided during the contract term, the institution may retain up to 30% of the tuition due under the student enrolment contract, or
 - (b) the student has completed and received an evaluation of his or her performance for more than 30% but less than 50% of the program, the institution may retain up to 50% of the tuition due under the student enrolment contract.
7. The institution will refund fees charged for course materials paid for but not received if the student provides a notice of withdrawal to the institution or the institution provides a notice of dismissal to the student.
8. Refunds required under this policy will be paid to the student, or a person who paid the tuition or fees on behalf of the student, within thirty (30) days:
- (a) of the date the institution receives a student's notice of withdrawal,
 - (b) of the date the institution provides a notice of dismissal to the student,
 - (c) of the date that the registrar provides notice to the institution that the institution is not complying with section 1(c) or 2 of this policy, or
 - (d) after the first 30% of the hours of instruction if section 3 of this policy applies.
9. If an international student delivers a copy of a refusal of a study permit to the institution, sections 1(a), 1(b), 4, 7, and 8 of this policy apply as if the copy of the refusal were a notice of withdrawal, unless:
- (a) the international student requests an additional letter of acceptance for the same program that was the subject of the refusal of a study permit, or
 - (b) the program is provided solely through distance education.
